

Meet Some of Alger County's
LEAST WANTED
Invasive Plants...

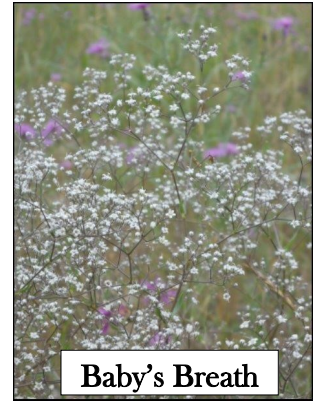

Garlic Mustard

Spotted Knapweed

Japanese Knotweed

Baby's Breath

...at Alger Conservation District's
"PULL THE INVASIVES, PLANT THE NATIVES"
WORKSHOP

Celebrate National Invasive Species Awareness Week with us!

*Munising School Public Library
M-28, Munising*

Tuesday, February 26, 2019, 5:30 until 7:00 pm

Preregistration appreciated but not necessary

**FREE
WORKSHOP!**

Come to this FREE workshop and learn:

- **What invasive species are & how they harm your land, water, and wildlife**
- **How to identify and report the most common invasive species in our area**
 - **How to prevent infestation**
 - **What methods of control work best**
- **How to restore habitat with native plants**
- **What Alger CD and Lake to Lake CISMA are doing to help, and how you can join us!**

What the heck
is Lake to
Lake CISMA?

Lake to Lake Cooperative Invasive Species Management Area (Lake to Lake CISMA) is a coalition of local, state, and federal agencies, non-profits, and private and commercial landowners joining forces to fight invasive species. Learn more about us at this workshop or at l2lcisma.org.
